

Booking Vacation Value Flights with Multiple Air Rotations on

The calendar tool in AOL 4.0 shows availability for Rotation 1 of our Vacation Value Vacation Flights. For Flights that have multiple same day rotations, we offer an alternative way to view their availability. **After entering desired vacation criteria, click search.** The availability call will bring up the best available flight rotation and class of service.

To quickly check and see if other Vacation Value Flight Rotations or Fare classes are also available, click on **'Show Additional Fares'**
