

# Flying into SDQ but staying in another Dominican Republic resort area?

Book your hotel first and shop for more air!

To get started:

1. Click on the radio button for **“Hotel only”**

2. Fill in **“Traveling To”** with the resort area desired (i.e. Punta Cana, La Romana, or Samana)
3. Select travel dates, Select number of rooms, and select number of adults and/or children (Use filters when possible for Apple Rating, Hotel Chain, or resort area)
4. Click **“Search”**
5. Select hotel in desired resort area
6. At the bottom of the page next to continue booking, Click **“Shop more”**

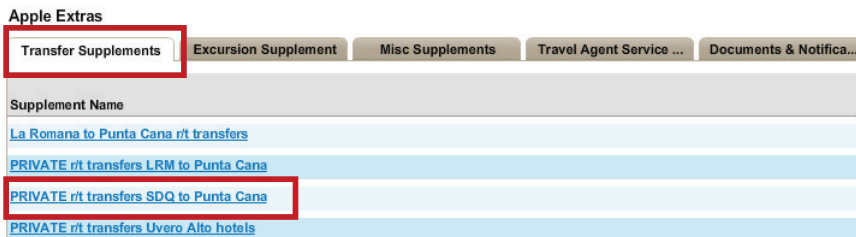

7. Now do a **“Flight Only”** search by clicking the radio button **“flight Only”**

8. Fill in **“Traveling to”** field with SDQ for Santa Domingo’s airport  
(**Note:** Please check dates, duration, and number of passengers because some settings are preset and may not match previously searched hotel only criteria.)

9. Select your desired Flight Traveling to Santa Domingo’s airport
10. Review shopping basket for all desired components and Click **“Continue Booking”**
11. On the Apple Extra’s page in the **“Transfer Supplements”** tab, select the quantity of transfers needed from Santa Domingo’s airport to appropriate resort area.

12. Continue as normal to complete the booking

Please note: If additional assistance is needed of how to perform steps above, please contact the Travel Agent Support Desk at 800-727-3460
