

MEXICO getaways

The diversity of Mexico will appeal to your sense of discovery. Explore the ancient culture of the Mayan or relax on pristine beaches. The east coast of Mexico features 60 miles of resort areas at Cancun and Riviera Maya, on the edge of the crystalline Caribbean Sea. Unwind on a secluded white sand beach, or dance the night away at one of the famed discos. On the western border, Old World Mexico boasts its jagged Pacific coastline and brown sugar beaches. The Past meets Perfection on the West Coast of Mexico, known for its sleepy pueblo towns inviting exploration, deep-sea fishing and excellent golf courses.
