For complete details go to applevacations.com/avok

*You may claim the savings prior to your clients' departure if price for the same vacation is discounted—all components must be the same: date, duration of stay, hotel, room category, and flight (same scheduled airfare class, or any charter airfare class). For complete restrictions and details visit www.applevacations.com/avok. Groups are subject to unique contracts covering the terms and conditions applicable to each group's travel arrangements - reference should be made to those contracts to determine the applicable cancellation penalties. Groups of 5 rooms or more: Some exclusions may apply for cancellations on group bookings. †Unless denied boarding due to improper documentation.**Cash Commission protection not valid on cancelled cash-back land only, air only or traditional group bookings or on travel certificate AV-OK bookings. Commission protection must be requested via form which is located on AOL 4.0. This form can be submitted any time after cancellation, but must be received no later than 7 days after the original departure date of the canceled booking. Once form is submitted the commission protection amount will be applied and paid after the original departure date of canceled booking. Bookings must meet minimum deposit amount required by the booking engine in order to qualify for commission protection. Reservation must be cancelled prior to closure flight check in (approximately one hour prior to scheduled departure time. AD8614-3698 4/17
