

Apple Online 4.0 Meet the Travel Agent Support Specialists

The Travel Agent Support desk is comprised of a team of elite specialists who specialize in making booking on Apple Online 4.0 as easy as possible to navigate and understand. They are here to provide assistance with training, technical support, investigating system issues, and providing courteous and efficient customer support to our valued Travel Agent partners.

Bonnie is our Travel Agent Support Supervisor, she started at Apple Vacations in 2007. Her goal was to travel to the world ever since she was young and hopes to someday fulfill that goal.

Gary is our Senior Travel Agent Support Specialist, he has been with Apple Vacations for over 21 years. He loves traveling to different places to watch different shows performed at each resort.

Ana started with Apple Vacations back in 1998. She loves traveling to enjoy the majestic views and experience the different cultures.

Angelique started part time in 2004 and has been here ever since. She enjoys learning new languages and experiencing different cultures and cuisine.

Patrick is our newest addition to the Travel Agent Support Team. Although new to Apple Vacations, he brings 25+ years of industry experience.

Larry started in 2007 and been a member of several departments throughout Apple Vacations. His favorite destination is Hawaii and can't wait to go back!
