FAQs

What is the luggage/size limit? Checked bag must not weigh more than 50 lbs. with maximum dimension of 62".

Can I bring a 2nd checked bag? No. Passengers are only allowed 1 checked bag.

What is the Carry-On Policy? One personal item and one carry-on. Personal item must fit under the seat in front of you. Carry-on must fit in the overhead compartment, and have a maximum weight of 22 lbs. and maximum dimensions of 22" x 13" x 8".

Is there a cost for strollers? No. There is no cost for strollers if they are checked at the gate.

Is there a cost for golf clubs or surfboards? Passengers may substitute the 1st checked bag for golf clubs or for a surfboard, standard 1st checked bag fee applies. A 2nd checked bag will not be allowed.

Is a CPAP machine considered a carry-on? FAA-approved CPAP machines will be allowed on-board. Under the terms of the Americans with Disabilities Act, a CPAP machine is considered medical equipment and will not count against the limits of carry-on mandated by the FAA. The passenger will be allowed one carry-on and one personal item and the CPAP machine in its traveling case. It is advised that the case be marked with a medical equipment tag to avoid any issues at the TSA checkpoint regarding the limits of carry-on.

Is my Portable Oxygen allowed in the cabin? Yes. It must be an FAA-approved machine and can be carried on free of charge.

Can I take my wedding dress as a carry-on? Yes, however there is no closet on-board. It must go in the overhead compartment as a carry-on if space is available.

How do I reconfirm my Swift Air flight to make sure it is departing on time?

<http://flightinfo.org/airline/swift-air>

You will need the airline code and flight number (for example: WQ125).
